The Canary Islands' largest urban location is a sun and sea holiday destination, and is cosmopolitan, open and friendly, with a history that spans over 500 years. It boasts a cultural and entertainments calendar which runs for 365 days a year. Some of the most outstanding attractions in Las Palmas de Gran Canaria include Las Canteras, one of the finest urban beaches in the world, ideal for resting, sunbathing, going surfing or diving in its waters, constituting an incredible aquarium with over a hundred different resident marine

species. Alongside the city's pleasant climate is a heritage with over 500 years of history, with the founding districts of Vegueta and Triana being essential places to visit, where their colonial architecture provides an authentic journey back in time as you wander around their streets. Live street theatre and music festivals are part of a huge cultural agenda held at superb locations such as the Alfredo Kraus Auditorium, the Pérez Galdós Theatre and the Cuyás Theatre, which live alongside the urban hustle and bustle, packed full of urban art and a superb environment for people of all ages.
